

A High Performance Automatic Safety Cover and Vinyl Lined Pool System

Automatic Pool Covers, Inc.

Your Safest Option

Investment

Congratulations, you're one step closer on the decision to purchase an inground swimming pool. Your **investment** is something that will pay dividends for many years to come!

Security

Now it's time for the ultimate investment. An investment in your **family's security**...it's money you'll never regret spending, and is the most important consideration when owning a swimming pool.

Peace-of-Mind

Automatic Pool Covers has engineered a product that provides safety and **peace-of-mind** as well as creating aesthetic beauty. Our product makes maintenance a breeze and saves you money over time.

 **THREE SIXTY FIVE**

The Simple, Flexible, and Reliable system of choice for vinyl lined rectangle pools.

Safety

- You're the Pool Supervisor...Safety Starts with You!
- The 365 System meets the highest safety standard, ASTM-1346 and supports over 450 pounds
- Non-skid flush lid protects swimmer's feet
- PowerTouch® Controller secures the pool in 45 seconds

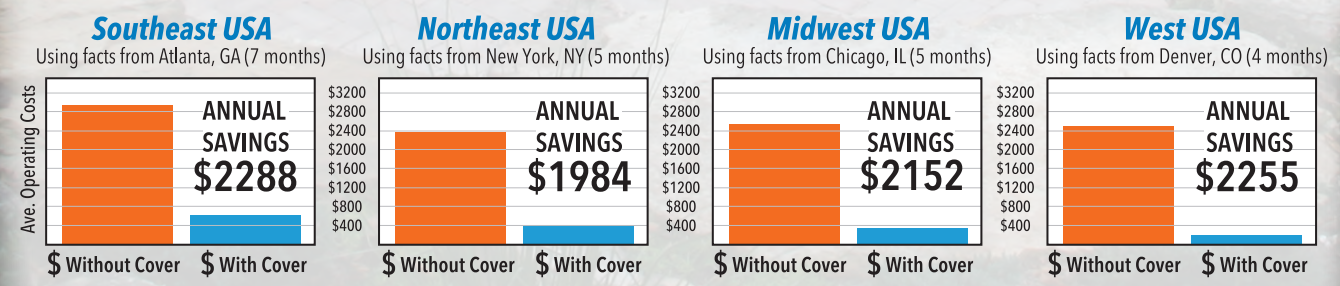

Benefits

- Up to 75% savings in heating costs
- Reduces chemical usage
- More FUN TIME...less cleaning
- Minimal water evaporation
- Pool equipment lasts longer
- Helps prevent access to pool

Saves You Money Every Year

A study by the U.S. Department of Energy has found that heat loss is dramatically decreased with the use of a pool cover. Depending on your geographical location, the savings could be significant throughout each swimming season. On average, you'll recuperate your investment in just a few years.

Figures based on a 1,000 square foot, outdoor pool heated with an 80% efficient natural gas heater at 50c per therm. Statistics from www.energysavers.gov

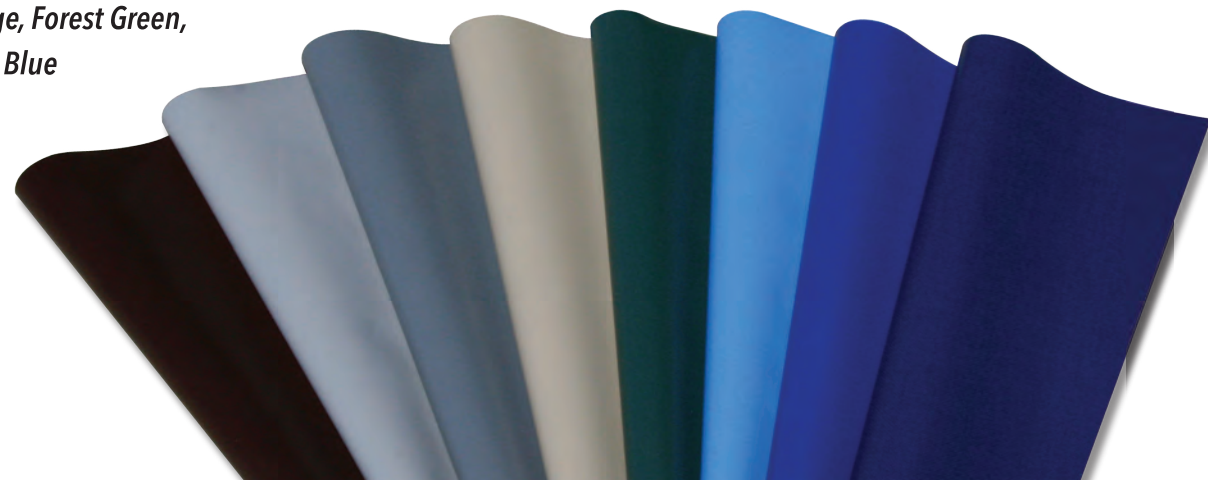

365 System shown with Stone Lid Riser to allow Custom Pavers or Stones

Designed and engineered to work together as a complete unit for accurate installation and years of trouble-free use.

Premium Vinyl Colors

Brown, Light Gray, Charcoal, Beige, Forest Green, Light Blue, Royal Blue, and Navy Blue

The system of choice for vinyl liner pool builders whose customers demand the very best for their backyard investment.

- Water resistant, 3/4 HP electric motor with Seal Technology delivers 1400 lbs of torque.
- Outstanding coated vinyl cover includes thermal retention and chemical resistant webbing.
- Hi-density polyethylene housing stores the cover and is extremely durable.
- Warranty backed with unequalled materials and years of testing.

Opening and closing your pool cover is simple and easy with your personalized code!
